33330148	2"x6" Crossmember with Donut Exhaust 3" (Not Pictured).....	450.00

Pre-Bent Tubing

Mandrel-formed 2x3 and 2x4 tubing sections are available in 90° bends ("easy" on the 4" plane or the "hard" way on the 2" plane) in specified lengths. Also available are random sections with bends in ranges of 0-30°, 30-60° and 60°-plus.

32347200	2x4 hard way 90° bend 36" long.....	\$60.00
32347210	2x4 easy way 90° bend 30" long.....	\$60.00
32347215	2x3 hard way 90° bend 36" long.....	\$60.00
32347214	2x3 easy way 90° bend 36" long.....	\$60.00
32347194	2x4 hard way 0-30° (.120" wall).....	\$20.00
32347195	2x4 hard way 30-60° (.120" wall).....	\$20.00
32347196	2x4 hard way 60° plus (.120" wall).....	\$20.00
32347197	2x4 hard way 0-30° (.180" wall).....	\$25.00
32347198	2x4 hard way 30-60° (.180" wall).....	\$25.00
32347199	2x4 hard way 60° plus (.180" wall).....	\$25.00

Tubing By-The-Foot

All the straight tubing used to fabricate just about anything on a race car or muscle car is available in precut lengths shipped via UPS or truck carrier. Due to the volatility of steel prices, please call for pricing and availability on round tube and rectangular tube pricing. Some varieties of material that we use to stock are now special order items and make take more time to obtain. Please call for shipping prices. Minimum size is 5' and cutting charges may apply.
